BLUE AND WHITE

SENIOR CLASS BOOK
LAWRENCE HIGH SCHOOL
LAWRENCE, MASSACHUSETTS
VOLUME NUMBER XXXVI
PUBLISHED BY THE CLASS OF 1980

How dear to our hearts
are these halls of thine . . .

the days that were so fair.

The memories of eager friendships made,

all the happy hours to share.

No poet or story throughout the years
has made thee known to fame.

May our constant efforts,

work well done,

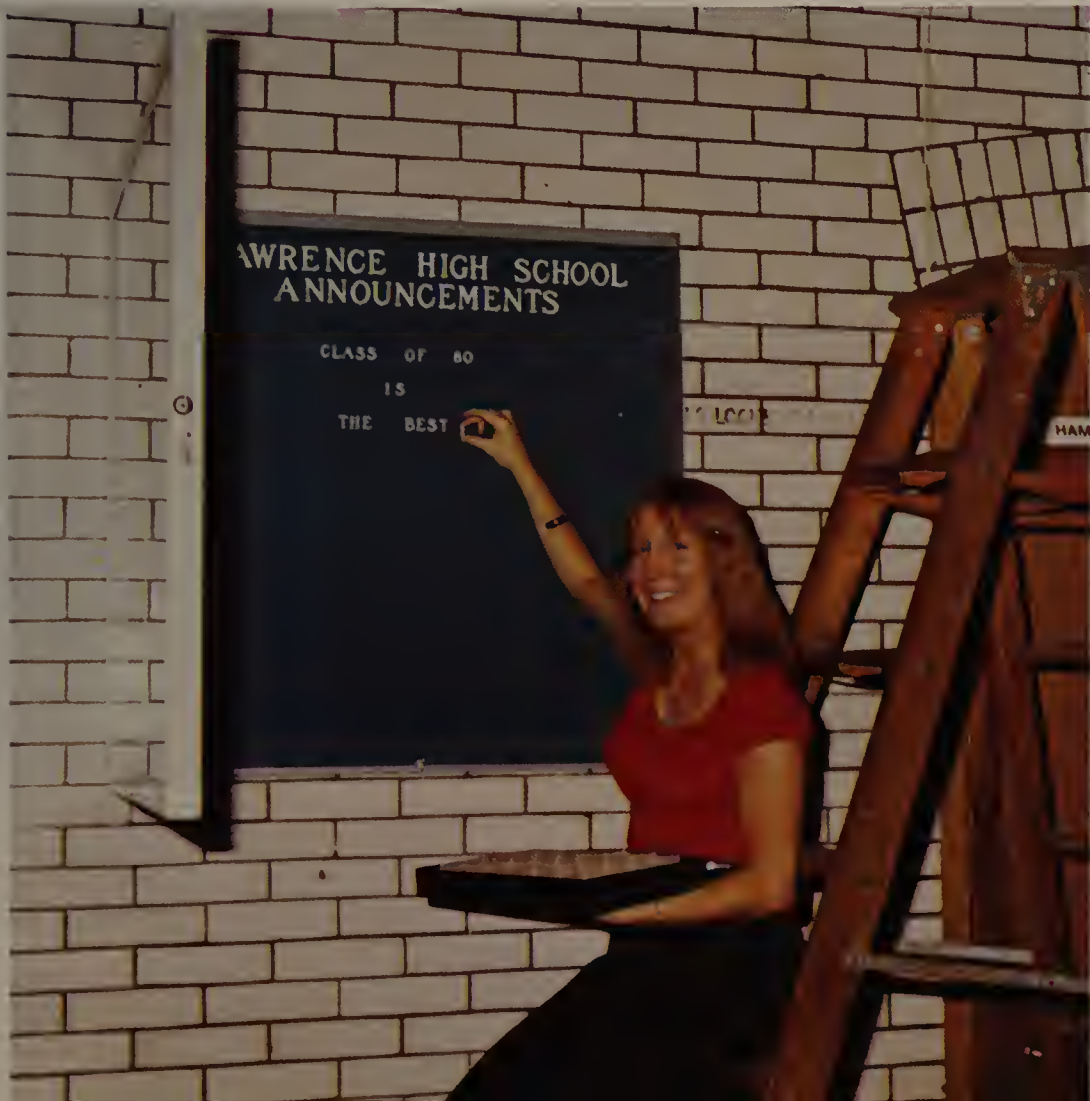

bring honor to thy name.

We pledge to thee our loyalty;
we give thee of our best . . .

and by our upright deeds
our love
to thee shall we attest.

In foreign lands and distant parts,
our fortunes we may try . . .

but deep within our hearts we'll keep
the memory of our Lawrence High!

Widen your choices by enlisting now and going later.

The Army's Delayed Entry Program gives you a wider choice of skill training, plus your pick of duty stations.

By signing up now and waiting up to 365 days to report, you can select the skill training that most appeals to you.

If you want to learn communications, for instance, waiting for a few months could reward you with an opportunity that doesn't exist today.

And if you'd like to serve in Hawaii, for example, you can wait until an opening comes up.

See if you qualify. Delayed Entry is worth the wait.
